January 2019,

Board President, Mr. Barry Campbell:

Policy 5517.01 requires me to report semi-annually to the Board President a summary of all reported incidents of bullying. The list is limited to the number of verified acts of harassment, intimidation, and/or bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events. This letter serves as my report for the first semester of the 2018-19 school year, which is based on documentation provided by building administrators.

At Upper Scioto Valley Elementary, there were 1 incidents that fell under the category of "verified threatening behavior or harassment" during the first semester of 2018-19.

At Upper Scioto Valley Middle School, there were 2 incidents that fell under the category of "verified threatening behavior or harassment" during the first semester of 2018-19.

At Upper Scioto Valley High School, there were 2 incidents that fell under the category of "verified threatening behavior or harassment" during the first semester of 2018-19.

Sincerely,

Craig M. Hurley
Interim Superintendent
