Dear Parent or Guardian,

The Alger First United Methodist Church is working with the West Ohio Food Bank to provide a program for weekend meals for our Alger Community children. A bag of non-perishable food will be provided to your child that can be consumed over the weekend at no cost to your family. The program is scheduled to begin on June 3, 2022 and continue until July 29, 2022. The food bags will be available for pickup at the Neighbor-to-Neighbor Community Center, 305 Main Street, Alger, on Friday afternoons from 2:00 to 5:00 pm. It will be your responsibility to check the food to assure we have not included food that your child may be allergic to or food you do not want them to have.

Please complete the information below and bring the form with you when you pick up your first food bag.
