- B. Specifically excluded from the bargaining unit are the Superintendent, Assistant Superintendents, Principals, Assistant Principals, Dean of Students, Athletic Director when the person is hired as an administrative employee, and all non-certificated employees, substitutes working less than sixty (60) consecutive days in a school year, seasonal and casual employees, and other administrative personnel as defined in Chapter 4117 of the Ohio Revised Code.

ARTICLE 3 - NEGOTIATIONS PROCEDURE

- A. Directing Requests: Requests in writing for negotiation meetings from the Association will be made directly to the Superintendent or his/her designee. Requests from the Board will be made in writing to the President of the Association. Requests for negotiations shall be submitted between ninety (90) and one hundred twenty (120) days prior to the expiration of the contract term.
- B. Negotiation Meetings: The first bargaining session shall be held at a mutually agreed time and date within fourteen (14) days of the request. All proposals by the parties shall be written and submitted to the representative(s) of both teams at the first meeting. No additional items shall be submitted by either party following the first meeting, unless mutually agreed by the parties. Additional ground rules, if any, will be established at the first meeting. Bargaining sessions shall be scheduled evenly between the regular employee workday and late afternoon/evening as mutually agreed to by the parties. Time and dates as used in this Article may be changed by mutual agreement.

- C. Representation: Negotiating teams consisting of up to five (5) representatives of the Board and up to five (5) representatives of the Association shall meet at mutually agreed times to bargain in good faith. The Board and the Association may engage a professional consultant at their own expense who may serve as an employee of the negotiating team; however, nothing in this Article shall prohibit the Board and the Association from mutually agreeing that such professional consultants shall not be employees of the bargaining teams. Other than what is specifically expressed in this Article, neither party in any negotiations shall have any control over the negotiating nor bargaining representatives of the other party. While no final agreement shall be executed without ratification by the Association and approval of the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations. There shall be three (3) signed copies of any final agreement. One (1) copy shall be retained by the Board, one (1) by the Association, and one (1) shall be sent to the State Employment Relations Board. The Board shall make copies of District Policies and the Agreement available in the office within thirty (30) days after the Agreement has been signed.
- D. Information: Upon reasonable written request, the Board and the Association shall provide the other, within a reasonable time, with available information and data which reasonably would assist the requesting party in formulating proposals and counterproposals, or in assessing the other party's proposals and counterproposals. This obligation does not require the production of information protected by federal and state privacy laws or student record laws.
- E. While Negotiations Are in Progress:
1. Caucus - The Chairman of either group may recess his/her group for independent caucus of reasonable duration at any time.
 2. Protocol -No action to coerce or censor or penalize any negotiation participant shall be made or implied by any other employee as a result of participation in the negotiation process.
 3. Item Agreement - As negotiation items receive tentative agreement they shall be reduced to writing, dated and initialed by each party.
 4. Schedule of Meetings - Until all negotiation meetings are completed, each meeting shall include a decision on an agreed time and place for the next subsequent meeting.
- F. Agreement: When and if a successor agreement is reached by the representatives of the parties, it shall be reduced to writing and submitted to the Association for ratification and to the Board for approval. The Board shall have the responsibility of preparing the initial draft of the Agreement within seven (7) days after the tentative agreement is reached. The Association shall be responsible for proofing the document and informing the Board of any and all corrections needed to the document within seven (7) calendar days after receipt of

the initial document draft. The Board will make the agreed upon document available on the school website.³

G. Disagreement:

1. In the event the parties are unable to reach agreement, at any time prior to forty-five (45) days before the expiration date of this Agreement, either may call for mediation. A joint letter shall be written by the parties to this Agreement and sent within three (3) calendar days to the Federal Mediation and Conciliation Service (FMCS) requesting the appointment of a mediator.
2. The mediator shall have the right to hold meetings with the negotiating parties in seeking to affect a resolution to the disagreement(s) in accordance with the rules and regulations of the FMCS.
3. In the event the employees of the negotiation committees are unable to reach agreement within ten (10) days of the expiration of the existing Agreement, then the Association shall have the right to proceed in accordance with Section 4117.14(D)(2) of the Ohio Revised Code, which states:

"Public employees other than those listed in division (D) (I) of 4117.14 have the right to strike under Chapter 4117, of the Revised Code provided that the employee organization representing the employees has given a ten-day prior written notice of an intent to strike to the public employer and the SERB; however, the SERB, at its discretion, may attempt mediation at any time."

and Section 4117 .18(C) of the Ohio Revised Code, which states:

"No public employee shall strike during the term or extended term of a collective bargaining agreement or during the pendency of the settlement procedures set forth in Section 4117.14 of the Revised Code."

- H. Good Faith Bargaining: The duty to bargain is the mutual obligation of the parties through representatives to negotiate in good faith at reasonable times and places with respect to wages, hours, terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement with the intention of reaching an agreement, or to resolve questions arising under the agreement. The obligation to bargain does not mean that neither party is compelled to agree to a proposal, nor does it require the making of a concession. In the event of impact bargaining, the timelines and dispute procedure will be the same as in Article 3(G).
- I. Dispute Settlement Procedure: The Negotiations Procedure set forth in this Article constitutes the entire dispute settlement procedure mutually agreed to by the parties.

ARTICLE 4 – DEFINITIONS

The following definitions apply to this Agreement unless expressly provided otherwise.

- A. "Association" means the Upper Scioto Valley Teachers- Association (USVTA), its affiliated organizations: National Education Association (NEA), and Ohio Education Association (OEA), and persons acting on behalf of the Association or any affiliated organization.
- B. "Board" means the Upper Scioto Valley Local School District Board of Education, its Administrators and others authorized to act on its behalf.
- C. "Days" means school day during the regular school year and Monday through Friday other than holidays during the summer.
- D. "District" means Upper Scioto Valley Local School District.
- E. "Teacher" means an employee of the Board in the bargaining unit described in Article 2 of this Agreement.
- F. "Immediate Supervisor" means the supervisor(s) to whom the teacher directly reports in relation to the subject or issues involved.
- G. "Full Time" means an employee who is employed to perform a full day's work as defined in this contract.
- H. "Part Time" means an employee who works less than full time. Fringe benefits for bargaining unit member who work less than full-time shall be prorated.
- I. "Impact Bargaining" means bargaining that takes place during the term of this contract over any changes that affect or effect the wages, hours, terms, or other conditions of employment.

ARTICLE 5 - SEVERABILITY

Consistent with Chapter 4117 of the Ohio Revised Code, this Agreement governs the wages, hours, terms and conditions of employment of employees, and terms of this Agreement prevail over any state statute to the contrary. If, however, any specific provision of this Agreement is invalidated by ruling of a court of competent jurisdiction or subsequent change in law, the parties shall, upon timely written request of the other, meet to negotiate in good faith regarding any necessary change in this Agreement. All other provisions of this Agreement which have not been invalidated shall continue in full force and effect in accordance with their terms.

ARTICLE 6 - REDUCTION IN FORCE

When it is necessary to reduce the number of teaching positions because of decreased enrollment of pupils, suspension of schools or territorial changes affecting the District, return to duty of regular employees after leaves of absence, financial reasons as determined by the Board, abolishment of positions, or program or curriculum changes, the Board shall follow the following procedures in effecting its reduction in force ("RIF"):

- A. Attrition: Where known and where possible, the number of persons affected by a RIF will be kept to a minimum by not employing replacements insofar as practicable for employees who retire, resign, or whose limited contracts are not renewed.
- B. Reduction Other Than by Attrition: To the extent that reductions are not achieved through attrition, the Board shall suspend contracts as necessary, of employees currently assigned to the affected teaching field(s) affected. Suspension of a limited contract employee and/or any related recall rights as set forth in this Article shall not operate to extend the length of the affected employee's limited contract beyond the date on which it otherwise would expire.

1. Seniority Process

- a. The Board shall give preference to employees on continuing contracts within the teaching field(s) affected when implementing reduction in force.
- b. Other factors the Board will take into consideration when implementing reduction in force are:
 - performance evaluation
 - student performance
- c. The Board will only take the concept of "seniority" into account in implementing reduction in force when employees within the teaching field(s) affected have comparable evaluations. The term "comparable evaluations" shall mean:
 - 1) employees rated as "Accomplished" and "Skilled" shall be comparable; and
 - 2) employees rated "Developing"; and
 - 3) employees rated as "Ineffective"

For the purposes of this Article, "seniority" shall mean the length of continuous full-time and regular part-time service in the District, inclusive of authorized leaves of absence.

- d. The Superintendent shall place on teaching field lists within their area(s) of certification as follows: first, employees on continuing contracts shall be listed; next, employees on limited contracts shall be listed. The Superintendent shall provide current teaching field lists to the Association President by October 1 of each school year and a revised list prior to the actual suspending of contracts.

2. RIF Recall List

- a. Employees whose contracts have been suspended shall be placed on a recall list. The Board shall provide the Association President with a copy of the list, updated as appropriate.
- b. Employees on the recall list shall have recall rights in the order of their placement on the list(s) described above to fill vacancies for which they are certified and qualified. Employees on limited contracts shall remain on the recall list for two (2) years from the employee's last payday after suspension. Employees who are on a continuing contract at the time of suspension shall have recall rights as set forth in R.C. Section 3319.17. Tutors who are placed on a recall list while employed in a tutor position shall only have the right of recall to a vacant tutor position. Tutors shall not have the right of recall to a regular classroom teaching position.
- c. The Board shall only extend a job opening to fill a vacancy to substitute employees or persons outside the District after each properly certified and qualified employee on the recall list, excluding tutors, has been given an opportunity to accept the position. The granting of a leave of absence to an employee will not be considered to create a vacancy, nor will the decision to leave a position vacant from attrition.

3. Notice of Recall

- a. In the event of recall as provided above, the Superintendent shall send the most properly certified and qualified employee on the recall list a written offer of employment by certified mail to his/her most recent address on school records. It is the employee's obligation to keep his/her address and status of certification current on District records. If the employee does not accept the offer in writing seven (7) days following the delivery or first attempted delivery of the letter, then his/her name shall be removed from the recall list and his/her employment rights with the Board shall be deemed terminated. The job shall then be offered, in the same manner, to the next most properly certified and qualified employee on the recall list.
- b. If a limited contract employee fails to accept an offer of recall on a timely basis, rejects an offer, or has been on the recall list for over two (2) years since the effective date of the suspension, his/her name shall be removed

from the recall list. If a continuing contract employee fails to accept an offer of recall on a timely basis or rejects an offer, his/her name shall be removed from the recall list.

- c. An employee who accepts an offer of recall shall be credited with the sick leave accumulated prior to the suspension and the years of service earned prior to the suspension, for salary schedule purposes.
- C. State and Federal Law: Exceptions to preferences for retention or recall based on seniority may be made when necessary to comply with state and federal laws regarding employment.

ARTICLE 7 - SUPPLEMENTAL CONTRACTS

- A. Employees who are employed and are to be compensated by the Board for approved supplemental duties, in addition to regular teaching duties, shall be employed on "supplemental contracts." These contracts shall be separate from, and in addition to the regular teaching contract.
- B. Employees of this bargaining unit will be hired if qualified, as determined by the Superintendent, and shall have priority consideration. Employees performing supplemental duties shall be issued written, individual, limited contracts that include:
 - 1. duration of supplemental contract;
 - 2. title of supplemental position;
 - 3. amount of compensation; and
 - 4. supplemental job description.
- C. Supplemental job description and qualifications will be available to any employee upon request. Starting in August 2003, supplemental job descriptions will be reviewed every five (5) years by the Superintendent and an Association representative. Before revising any job description, the Superintendent will consider any input given by the Association representative.
- D. Acceptance of a supplemental contract shall be voluntary.
- E. Employees shall be compensated for supplemental duties for which they are employed in accordance with the Supplemental Salary Schedule below. The Board need not fill any or all positions listed on the schedule in any particular school year. The Superintendent shall determine whether a vacancy exists in a supplemental position and when to fill the vacancy. The failure to fill a position shall not be subject to bargaining with the Association. If a supplemental position listed on the schedule is filled, the compensation for it shall be in accordance with the Supplemental Salary Schedule below.

- F. All supplemental contracts shall be limited contracts and shall be automatically nonrenewed at the expiration of their term without the need for any administration or Board action. The evaluation requirements contained in O.R.C. §3319.111 and this Agreement, and the procedural due process and evaluation requirements contained in O.R.C. §3319.11 shall not apply to supplemental contracts.
- G. UPPER SCIOTO VALLEY LOCAL SCHOOLS SUPPLEMENTAL SALARY SCHEDULE – See Appendix A 1

ARTICLE 8 - ASSOCIATION RIGHTS

- A. The Association shall have the right to make reasonable use of bulletin boards in employees' lounges to post informational notices and may make use of District intra-school mail. Any notice posted by either the Association or on behalf of the Board shall be identified as such. Unsigned or unidentified notices shall be removed from the bulletin boards.
- B. An employees' lounge will be provided.
- C. Authorized representatives of the Association may transact Association business on school property. The transaction of such Association business shall not interfere with the regular employee workday or with other school activities. Upon advance written request and permission of the appropriate Administrator, the Association may use District buildings for meetings outside the regular employee workday. The appropriate administrator shall not unreasonably withhold permission for the Association to use District buildings.
- D. The Superintendent shall make available a copy of the agenda to the Association President a minimum of one (1) day prior to each Regular Board of Education Meeting. Board meeting minutes shall be available on the district website within seven (7) days after a Board Meeting.
- E. Provided the Association gives advance notice to the appropriate administrator, an Association representative shall be given reasonable time for announcements and discussion of Association activity at faculty meetings.
- F. The Board and the Association shall, upon written request, furnish the other within a reasonable time available, non-confidential information in its existing form, which is relevant to proper subjects of bargaining, or which is directly related to and necessary for Administration of the terms of this Agreement.
- G. Dues Deduction: The Board shall make payroll deduction of Association dues on the following basis:

1. Payroll deduction of Association dues and fees shall be made upon the written authorization of an employee. The authorization shall be continuous from school year to school year until revoked in writing by the employee to the Association Treasurer with a copy sent to the District, or until the employee is separated from employment or goes on unpaid status. Upon re-employment or resumption of paid status, the deduction shall automatically resume unless the authorization has been revoked.
2. The amount of dues to be deducted shall be in accordance with the terms of the authorization. If the authorization so provides, the amount of dues to be deducted may be increased or decreased from school year to school year, upon receipt by the Treasurer of written notice of such change on or before the second Friday after instruction begins. Dues shall be deducted in twenty-two (22) approximately equal installments from employee paychecks, beginning with the first pay of October. The dues of an employee who does not work a full work year shall be prorated accordingly and any balance of dues owed shall be deducted from the employee's last paycheck to the extent funds are available in that check or spread over the remaining pays, as may be the case.
3. With respect to all sums deducted by the Board pursuant to authorization of the employee for membership dues, the Board agrees promptly to remit such monies to the Ohio Education Association along with an alphabetical list of employees for whom such deductions have been made and any changes that may have occurred since the previous list.
4. A payroll deduction will be made for EPAC contributions for those employees signing an official authorization.

H. Council:

1. A Council shall be formed. The Council shall consist of the USVTA President and a designee.
2. The purpose of the Council will be to provide a vehicle for communication between the employees and the administrative employees. The Council shall meet with the appropriate Principal once a grading period at the request of either principal or council to discuss matters of concern to either or both parties. Minutes of these meetings will be sent to the Association President and the Superintendent.

I. Labor Management Meetings:

1. The Superintendent shall meet once a grading period with the Association President or his/her designee at the request of either party to discuss matters of concern to either or both parties.

2. The employee organization rights set forth in this Article shall be exclusive as to the Association. However, nothing in this Article shall be construed to impair or restrict the rights of individual employees or management to present views and obtain information in accordance with established procedures.
- J. Liaison Days: The Board will grant three (3) days total of release time from employee duties for the Association as representatives of the certificated employee. Minimum use will be in one-half (.5) day blocks.

ARTICLE 9 - GRIEVANCE PROCEDURE

A. Definitions Concerning Grievances:

1. "Grievance" is a claim by the Association or by one or more employees that there has been a violation, misinterpretation or misapplication of a provision of the Agreement.  - g. Desired remedy to resolve the grievance.
2. "Aggrieved Person" shall mean any person(s) in the bargaining unit making a complaint or the Association. In the event more than one person files the same complaint, each shall sign the grievance. Such a person or group may be represented by a representative of the Association's choosing at any formal level of this procedure.
3. "Bargaining Unit" shall consist of persons included in the bargaining unit in the Recognition language (Article 2) of this Agreement.
4. "Time limits" contained in this section shall serve as a maximum. Failure to file a grievance or failure to process a grievance to the next step of the procedure in accordance with the time limits contained herein shall result in a waiver of the grievance. Failure of school officials to respond to a grievance in accordance with the time limits contained herein shall entitle the grievant to advance to the next step in the procedure. If a grievant or school official is unable to comply with a time limit of the procedure by reason of personal or family illness or absence from

the District due to vacation, professional leave or emergency business, the appeal period shall be extended in writing to accommodate such absence.

5. "Day" means school day during the regular school year and Monday - Friday (other than holidays) during summer.

B. Purpose of Grievance Procedure: The purpose of this procedure is to secure, at the lowest possible administrative level, in the quickest possible time, equitable solutions to the grievances of all employees in the bargaining unit. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Informal Procedure: Level One: An aggrieved person with a grievance shall first discuss it with the immediate supervisor within ten (10) days of the date of the incident giving rise to the grievance, for the purpose of resolving the matter informally. The employee may have an Association representative present at this meeting.

D. Formal Grievance Procedure:

1. Level Two:

- a. If an aggrieved person is not satisfied with the outcome of the informal procedures, he/she may present his/her claim, within ten (10) days of the date of the incident giving rise to the grievance as a formal grievance in writing to the immediate supervisor and to the Association. Forms (Appendix D) for this purpose shall be available in the school office.
- b. The immediate supervisor shall, within five (5) days after receipt of the written grievance, render his/her decision and the reasons therefore in writing to the aggrieved person with a copy to the Association and to the Superintendent.

2. Level Three:

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, he/she may file a written grievance with the Superintendent or his/her authorized representative (hereafter "Superintendent") with a copy to the immediate supervisor within five (5) days.
- b. The Superintendent shall, within five (5) days after receipt of the written grievance, meet with the aggrieved person, an Association representative, and all parties involved, for the purpose of resolving the grievance.
- c. The Superintendent shall, within five (5) days after this hearing, render his/her decision and the reasons therefore, in writing to the aggrieved person with copies to the principal and the Association.

- d. If the aggrieved person is not satisfied with the disposition of the Superintendent on a grievance concerning Board policy, he may appeal to the Board by filing a written appeal with the Treasurer within five (5) days of receipt of the Superintendent's disposition. If such an appeal is timely filed, the grievant may appear before the Board in executive session with Association representation to present the grievance, at the next regular Board meeting or at a special meeting called by the Board for that purpose within thirty (30) days of the filing of the appeal. The Board shall send the grievant, the Association President and the Superintendent a copy of its disposition of the grievance within ten (10) days of the meeting. The Board's disposition of a policy grievance may not be appealed to arbitration.

3. Level Four:

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Three on a grievance alleging a violation, misinterpretation or misapplication of this Agreement, he/she may, within five (5) days, request in writing that the Association submit his/her grievance to binding arbitration by an outside arbitrator in accordance with the Rules of the American Arbitration Association.
- b. The Association shall, within five (5) days after receipt, review the grievance and the answer and, if it desires, advise in writing the Superintendent of its desire to proceed to arbitration.
- c. Within five (5) days after the Superintendent's receipt of the request for arbitration, the parties shall jointly petition the American Arbitration Association for a list of fifteen (15) arbitrators from which the arbitrator shall be selected by the alternate strike method. Either party shall be entitled to request a second list.
- d. Once the arbitrator has been selected, he/she shall conduct a hearing on the grievance in accordance with the Voluntary Rules and Regulations of the American Arbitration Association.
- e. The arbitrator shall have authority to consider only a single grievance or several grievances involving a common question of interpretation or application.
- f. The arbitrator shall hold the necessary hearing promptly and issue the decision within thirty (30) days or such time as may be agreed upon. Decisions shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator shall be binding on the Board, the Administration, and the Association and the grievant(s).

- g. E. Scope of Grievance Application:

- 1. This grievance procedure governs all employees of the bargaining unit of the District.
- 2. A grievance may be withdrawn by the Association at any time without harm or loss to either party.

F. Professional Rights Provision: No reprisals of any kind will be taken by either party or by any employee of the Administration against any party in interest, any school representative, any Association representative, or any participant in the grievance procedure by reason of such participation.

G. Miscellaneous Grievance Procedure:

- 1. So that the grievance can be processed as rapidly as possible, time limits at each level should be considered as a maximum and every effort should be made to expedite the process. Time limits may be extended by mutual written consent.
- 2. If the Association decides at any level of the grievance procedure that a grievance is without merit or that an equitable answer has been given to the aggrieved person, it may withdraw its support. The aggrieved person may always seek, individually, further satisfaction of his/her grievance through normal administrative channels. He/she may not be represented by any other organization or group at any time.
- 3. Every effort will be made to avoid interruption of classroom activities unless the school administration so authorizes, and to avoid the involvement of students in all phases of the grievance procedure.

H. Exclusivity of the Grievance Procedure:

1. The procedures contained in this Article constitute the sole and exclusive method of considering the redressing of grievances arising during the life of this Agreement and any extensions thereof.
2. It is expressly understood and agreed that neither the Association nor any employee shall engage in actions which are not expressly provided for in the grievance procedure such as the initiation of litigation or charges with a state or federal agency in connection with any dispute which is or could have been a matter presented as a grievance and which has or could have been taken to arbitration Level Four within this grievance procedure.
3. It is further understood and agreed that a decision at any level of the grievance procedure that is mutually acceptable to the Association and the Board's representative shall be final and binding upon the grievant, the Association, the Administration and the Board.
4. It is further understood that the parties individually and collectively agree that there will be no interruption or cessation of work in connection with a dispute arising under this Agreement.

ARTICLE 10 - LEAVES OF ABSENCE

A. Sick Leave:

1. Advance of Sick Leave: Upon written request five (5) days of sick leave shall be advanced per contract year by the Superintendent if a teacher has no sick leave available for use consistent with the terms of this Article. An additional five (5) days of sick leave may be advanced per contract year by the Superintendent for sick leave needed by an employee who has no sick leave available for use consistent with the terms of this Article. However, advance of sick leave may not be requested by an employee if the employee has a negative sick leave day balance. In addition, any advanced sick leave days must be repaid to the District by the employee prior to the employee's departure from employment with the District. Repayment can be made either by the District recouping the equal number of days advanced from the employee's accumulated sick leave balance; or by the employee remitting payment directly to the District for the equivalent dollar value amount of the advanced sick leave days not yet repaid upon the employee's departure.
2. Accumulation of Sick Leave: Professional personnel will earn sick leave at the rate of one and one-fourth (1 1/4) days per month, which is fifteen (15) days

annually. An employee may accumulate up to two hundred forty (240) sick leave days.

In this section, employee's immediate family is defined to include father, mother, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother, sister, husband, wife, child, stepchild, foster child, grandchild, grandparent or any other relative living under the employee's roof or upon Superintendent approval.
5. Use of Sick Leave- Death in the Immediate Family: Sick leave may also be used for death in the employee's immediate family.  - b. All absences which qualify for sick leave will be deducted from sick leave. Personal days may not be used as an alternate for sick leave.

Formal observations will be preceded by a conference between the evaluator and the teacher in order for the teacher to explain plans and objectives for the work to be observed and to determine the length of time needed for observation. If a scheduled formal observation does not occur due to the teacher missing work on the scheduled day of the formal observation, it will be immediately reassigned by the administration. There shall be at least three (3) weeks between formal observations unless impractical due to teacher scheduling and/or missed teacher workdays. Formal observations will be followed by a conference between the evaluator and the teacher in order to discuss performance, practices, and expectations; and to review and align such with the teacher's professional growth or improvement plan. A teacher may request an additional formal observation in addition to those required by this procedure.

Evaluators will collect evidence during the focused observation to assess the identified focus area(s). Evaluators will also document evidence to support the final evaluation rating.

Identified focus areas will be selected after completion of the holistic observation and may include area(s) of relative strength and/or area(s) targeted for improvement.

Formal observations will be conducted only on days when normal classroom procedures can be expected. Thus, teachers will not be observed for the purpose of a formal observation on the day before or after Thanksgiving, Christmas,

5. A written Improvement Plan is developed when an educator has a Final Holistic Rating of Ineffective. However, the district has discretion to place any teacher on an Improvement Plan at any time based on deficiencies in any individual component of the evaluation system. These deficiencies would be identified with a rating of developing or ineffective on any component of the rubric. The notice for being placed on the plan, the components of the plan and the process shall be discussed with the teacher by the administration. The purpose of the Improvement Plan is to identify specific deficiencies in performance and foster growth through professional development and targeted support.

Examples include, but are not limited to, student information affecting educational progress, student interest or learning style surveys, newsletters, classroom rules, lesson plans, portfolios, summative assessments, professional education organization work, education awards, and student work samples. All evidence presented shall be included in the report and will be considered in the evaluator's assessment of the teacher.

Assessment of Teacher Performance

Teacher Performance Evaluation Rubric

The **Teacher Performance Evaluation Rubric** is to be scored holistically. This means evaluators will assess which level provides the best overall description of the teacher. The rating process is to occur on completion of each 30-minute observation and post-conference. To determine the rating for each 30-minute observation, the evaluator is to consider evidence gathered during the pre-conference, observation, post-conference and classroom walkthroughs, if applicable. Note that when completing the performance rubric, evaluators are not expected to gather evidence on all *indicators* for each observation cycle. Likewise, teachers may, but are not required to, bring additional pieces of evidence to address all *indicators*. The professionalism section of the rubric may use evidence collected during the pre-conferences and post-conferences as well as information from the Professional Growth and/or Improvement Plan, if applicable.
