Please circle the reason you will be missing school for the fair. If you circle show, you must also list the show/event that you are participating in. Students with show days and/or Fairboard duties will be considered excused from school on the days in which they participate in those events. If you circle parent, the parent excuse day will count toward your total of four (4) parent excuse days this semester. If you exceed the four (4) parent excuse day limit, any and all remaining days will be unexcused and may result in disciplinary action per the student handbook unexcused absence policy.
